Whether during this period special initiatory rites are performed I was not able to find out. This part of Yaruro culture is considered to be in the women's domain, and, being a man, I was kept from delving into it.

MARRIAGE

527 The Yaruros are poor in social ceremonies. Anciently they may have practiced a great many of them but today social life is comparatively simple.

885 When a boy is ready to marry he may approach his father, or as a matter of fact, the father may approach the son. In any case he is sent to the shaman, who informs him that now he should be ready to assume the duties of a man, and proceeds to instruct him in the nature of those duties. He is told that he must love and cherish his wife; supply her plentifully with food, clothing, ornaments, and children; that he must never use harsh words toward her and that he must take care of her when she is sick; that he must never quarrel with her family, with whom he is expected to live; and of particular importance, that he must remember to take care of his father-in-law and mother-in-law. All of this is ordained by Kuma.

584 The shaman will then approach the boy's uncle who has a marriageable daughter. No special ceremony seems to take place. The boy simply goes to live with the wife's family and assumes his duties of taking care of her as well as of his parents-in-law.

SICKNESS AND DEATH

751 Not much material was available on sickness. It must be remembered that the Yaruros have been in contact with European ideas for several centuries and that they understand the use of medicine for the cure of a specific illness.

757

753 Nevertheless, Kiberoh, the evil night spirit, is in some fashion associated with illness. If Kiberoh enters the body of a person, the latter will become ill. In such cases the only cure is the intercession of Kuma, who can be called upon to help by the shaman or musico, a term adapted from the Spanish to describe the singing shaman.

755 The sick person is laid on the ground with his head pointing to the east. At sundown the shaman will stand to the north of the sick person and will proceed to sing, accompanying himself with the rattle. The rest of the people, with the exception of any woman in her menstrual period, line up behind the shaman and sing and dance as they generally do during any of the shamanistic performances. If they indulge in any dancing, however, they do not go around a
